

Quick to the punch.

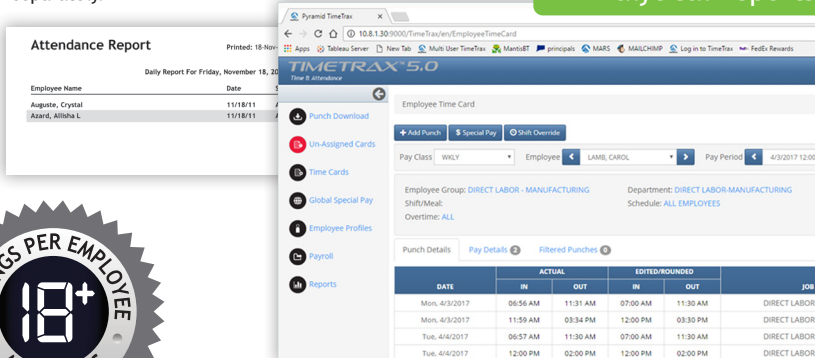

The **TTEZ Proximity Time Clock System** simplifies and automates employee time and attendance. The system uses RFID proximity badges to instantly record employee punches. Manages weekly, bi-weekly, semi-monthly, or monthly pay periods. Includes TimeTraxTM time and attendance software download and 15 proximity cards. Edit employee time cards and run reports, including *Time Card*, *Attendance*, *Employee Punch*, *Detail Payroll*, *Employee Detail*, *Hourly Summary* and *Employee Seniority* reports. Automatically calculates employee hours, overtime and holiday hours. Creates export files for most major payroll provider, including *ADP[®]*, *Fidelity[®]*, *Heartland[®]*, *Pay-Chex Preview[®]*. Directly syncs with *Quickbooks[®]*. Simple to setup and easy to expand with employee upgrade packages, additional proximity badges, and/or *PPDLAUBTN EZ Proximity Add-On Time Clock Terminals*.

- Reads Radio Frequency Identification (RFID) proximity badges and key fobs
- Audible beep and card number screen display confirms successful employee punch
- Eliminates need for paper time sheets or time cards
- Includes TimeTraxTM time and attendance software download and 15 proximity badges
- Automatically downloads employee punches to PC software
- Accommodates up to 500 employees with *Employee Upgrades* and additional *Proximity Badges¹*
- Enables employee time card editing
- Features payroll reports
- Manages weekly, bi-weekly, semi-monthly or monthly pay periods

¹TTEZPROX (PPDLAUBKN) kit includes terminal, RJ45 cable. UL power supply, 50-employee software download package & 15 proximity badges. Employee software upgrades, key fobs, additional proximity badges & additional terminals sold separately.
