

EZ to work with. Exceptional analytical skills.

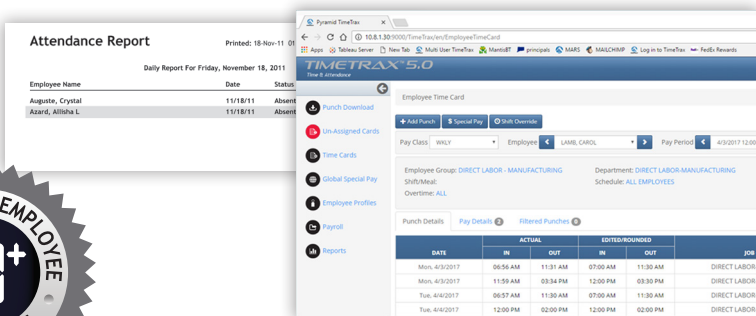

The **TTEZEK Swipe Card Time Clock system** simplifies and automates employee time and attendance processing. The system uses magnetic stripe swipe cards to instantly record employee punches. Manages weekly, bi-weekly, semi-monthly, or monthly pay periods. Includes TimeTrax™ time and attendance software download and 50 swipe cards. Edit employee time cards and run reports including: *Payroll, Time Card, Attendance, Employee Punch, Detail Payroll, Employee Detail, Hourly Summary* and *Employee Seniority* reports. Automatically calculates employee hours, overtime and holiday hours. Creates export files for most major payroll provider, including **ADP®, Fidelity®, Heartland®, PayChex Preview®**. Directly syncs with **Quickbooks®**. Simple to setup and easy to expand with employee upgrade packages, additional swipe cards, and/or TTEZET Add-On Time Clock Terminals.

- Reads magnetic stripe swipe cards
- Audible beep and card number screen display confirms successful employee punch
- 🌿 Eliminates need for paper time sheets or time cards
- Includes TimeTrax™ time and attendance software download and 50 swipe cards
- Automatically downloads employee punches to PC software
- Accommodates up to 500 employees with **Employee Upgrades** and additional **swipe cards**¹
- Enables employee time card editing
- Features payroll reports
- Manages weekly, bi-weekly, semi-monthly or monthly pay periods

¹TTEZEK kit includes terminal, RJ45 cable, UL power supply, 50-employee software download package & 50 swipe cards. Employee software upgrades & additional terminals & swipe cards sold separately.

17 Analytical Reports
